

The Hopper chair would be equally at home in an Art-Deco inspired interior, or within a spacious modernist high-rise apartment. City dwellers can choose this chair safe in the knowledge that it has ageless style.

PERFECT SIMPLICITY

Refined design with BALANCED LINES

The Sutherland has clever curves adding a softer feel to the overall look. Just a simple sweep to the front creates a relaxed silhouette.

Be
TIMELESS

Domus is a contemporary collection and yet refuses to compromise on luxurious comfort. Thanks to simple, structured lines, each piece is effortlessly stylish and boasts a timeless look for a modern home.

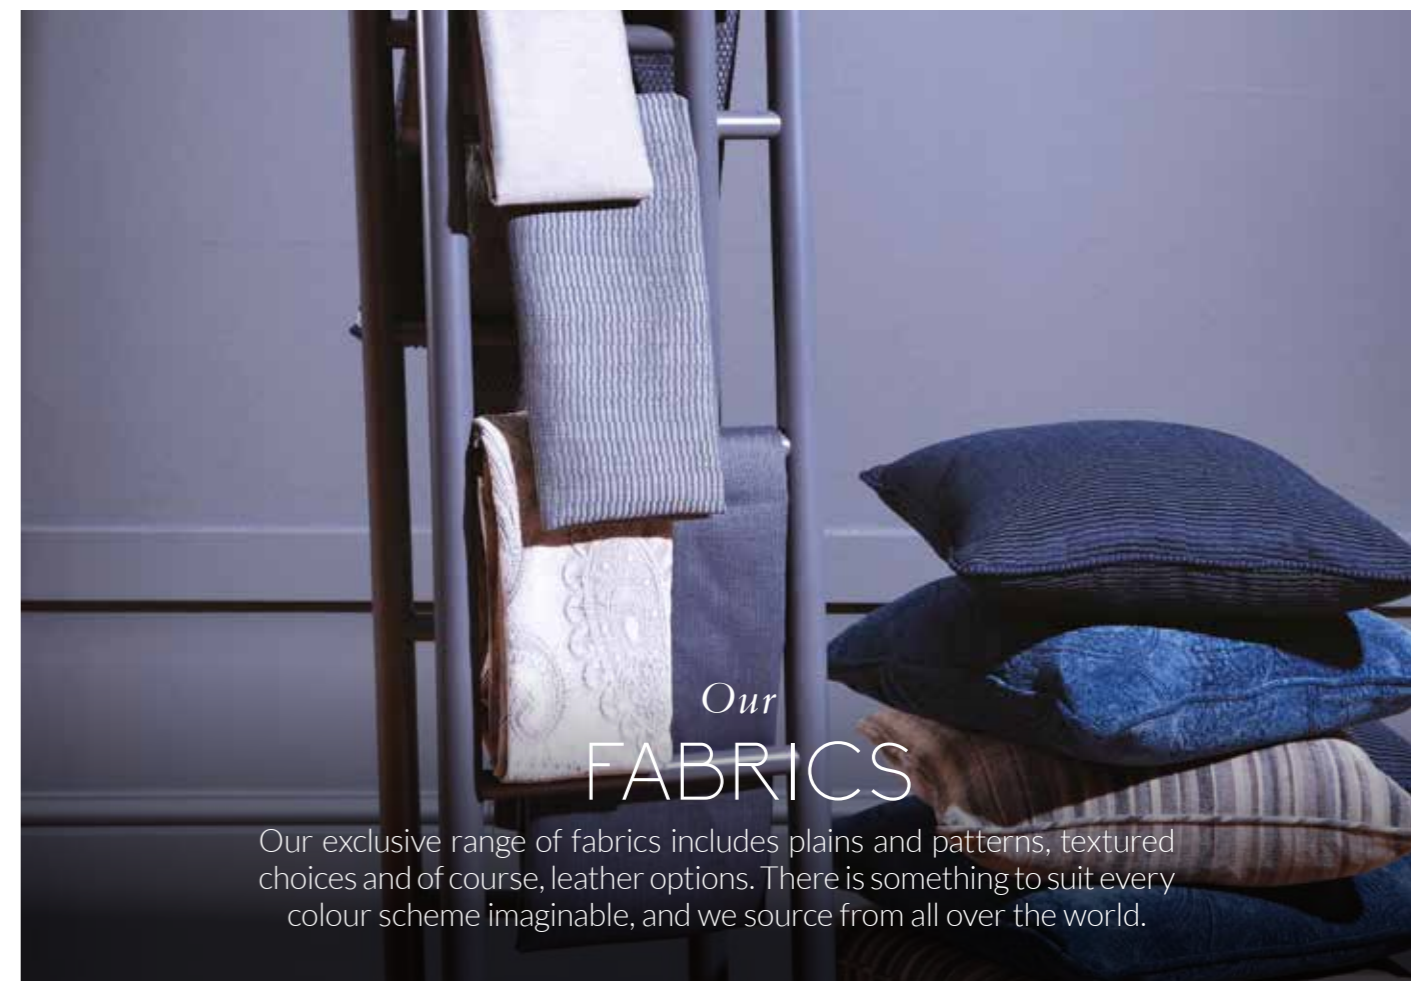

The Hopper with its square arms and crisp lines has an architectural style that will stand the test of time. Square wooden legs enhance the clean, modernistic look.

Our
CRAFTSMANSHIP

Since 1938, our hardwood frames have been handmade using traditional manufacturing techniques to create the best possible structure on which to build your sofa.

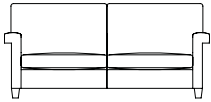

Our
FABRICS

Our exclusive range of fabrics includes plains and patterns, textured choices and of course, leather options. There is something to suit every colour scheme imaginable, and we source from all over the world.
